Test Prep

Summer 2010

Kuei Luck Enrichment Center has developed a new program serving secondary-education students (6-12 Grade). Our new course offerings offer enrichment in high school subjects following NYS Regents requirements and NYC Department of Education curriculum. Our teachers all come from excellent schools and have exceptional reputations. Our teachers are all licensed to teach with the New York State Education Department. Under their guidance, your child is surely to benefit from our program.

Test Prep Course Offerings:

- SAT I Critical Reading
- SAT I Mathematics
- SAT I Writing
- SAT II Biology
- SAT II Chemistry
- SAT II Math IC
- SAT II Math IIC

Enrichment Course Offerings:

- Regents Integrated Algebra
- Regents Geometry
- Regents Algebra 2/Trigonometry
- Regents Earth Science
- English Level I
- English Level II
- Writing Level I
- Writing Level II

** Visit our website for more information on each course*

Dates: July 6th, 2010 – August 20th, 2010

Each class meets for 2 three hour sessions a week. Each Friday, students will be given a cumulative exam per class. Homework is assigned every day. TA lead help sessions will be available Mondays – Thursdays from 4:00 pm – 5:00 pm.
